\*a Charter School sites are counted in the charter school's home county. In some cases the school sites are not located in the same county as the charter school's home county.

\*b The number of schools classified as teaching both elementary and high school grades.

\*c Number of transporting Districts

\*d Number of teaching High Schools.

\*e Includes one Joint Technological District/Site.

Special Programs are county programs for children with special needs such as dropouts, homeless children or disabled children.
