FROM: Philip Williams, Deputy Associate Superintendent of School Finance
DATE: April 28, 2006
SUBJECT: Instructional Improvement Fund Allocation

The calculations for the third quarterly Instructional Improvement Fund (Indian Gaming revenues) payment of FY 2005-2006 are complete. This payment is based on IIF revenues received in the 3rd quarter. Actual receipt of payment by districts and charters is scheduled for April 28, 2006. One additional quarterly payment calculation and disbursement is expected this fiscal year, and the amounts shall be determined by the respective quarterly revenues received. All monies received in FY 2006 will be distributed in FY 2006.

The *Instructional Improvement Fund* report (IIF 202-1) and ARS 15-979 C. detail the counts used to determine allocation of the Instructional Improvement Fund. The IIF report is available at <http://www.azed.gov/Districts>. Pursuant to A.R.S. §15-979 (D) & (E), these funds may be expended as follows:

- D. Each school district and charter school may utilize up to fifty percent of the amount of monies determined pursuant to subsection C for teacher compensation increases and class size reduction as provided in section 15-977.
- E. Monies that are not utilized as provided in subsection D shall be utilized for the following maintenance and operation purposes:
 - 1. Dropout prevention programs.
 - 2. Instructional improvement programs including programs to develop minimum reading skills for students by the end of third grade.
